MULTIPLE BRAIN COACHING FOR SELF EVOLUTION

Overview...

The discoveries of the heart and gut brains continue to gain more and more interest with popular magazines featuring articles on the subject - Time Magazine (Jan 26, 2011), Oprah's O (July 2010), Psychology TODAY (Nov 1, 2011), The New York Times (Oct 11, 2011), NewScientist (Dec 15, 2012) and the Wall Street Journal (Jan 17, 2012).

This training brings together all of the research findings along with behavioural modelling of the 3 brains into a practical framework that provides a set of **self-evolutionary tools** for wiser decision-making in **all areas of life**.

Informed by the latest Neuroscience along with techniques and concepts from NLP, Cognitive Linguistics, Positive Psychology and the field of Behavioral Modeling, Marvin Oka and Grant Soosalu have produced **leading edge models and practical techniques** for aligning the multiple brains and producing incredible results in **human performance**.

Aligning your multiple brains

mBIT *multiple Brain Integration Techniques*
mBraining *the process of aligning your multiple brains using mBIT methodology*

We have 3 separate intelligences operating in our bodies and these have habits and learned patterns and can be aligned or not aligned. How our multiple brains communicate and operate with each other is vital for **congruence, success and happiness**.

It can be life denying when our brains fight each other or ignore each other and alternately, *it is incredibly life enhancing when our multiple brains work harmoniously together to produce **generative wisdom in our lives***.

Based on the
breakthrough new book:

"mBraining extends notions of both brain and mind. Steven Pinker famously says that 'the mind is what the brain does'. Oka and Soosalu suggest that a greater mind is a function of a greater brain, that comprising head, heart, and hara..."

Stephen Elliott
Author and
Life Scientist
Coherence, USA

"I now use mBIT and breathing with all my NLP clients. I teach the breathing now as a pre-requisite to every session! It makes such a difference to my clients' state. From a balanced ANS almost anything is possible. Fabulous!"

MULTIPLE BRAIN COACHING FOR SELF EVOLUTION

“Learn simple and powerful techniques to detect and overcome issues when your client’s head, heart and gut brains are NOT aligned”

Do you ever have Clients with the following brain integration issues?

- ◆ Internal conflict between their thoughts, feelings and actions
- ◆ Repeatedly not acting upon or sabotaging their dreams, goals and plans
- ◆ Doing unwanted behaviours or habits and don’t know why and difficulty stopping
- ◆ Challenges in making decisions or are unable to motivate themselves to take action
- ◆ Chronically experiencing disempowering emotional states such as frustration, depression, anger, anxiety, etc.
- ◆ Chronic health issues, especially those to do with the heart or gut region

When your clients experience these in their life or behaviour, it's time to empower them using the deeply integrative **mBIT processes** you'll be trained in during this workshop... ***You will learn to repattern how our brains work together to support and enhance life success.***

mBIT Certified Coaches continue to report that mBIT creates quicker and more lasting changes and is an elegant and powerful adjunct to their existing toolkits.

“As Relationship Coaches, we found that we are able to be more effective in such a short timeframe using the skills and techniques of mBraining. Our clients have nothing but praise for mBIT and the eye-opening skills it teaches you”

EK & SK, Melb., Australia

The insight of neuro-linguistics

If you've ever 'lost heart', been 'gutted', had a powerful gut reaction, or experienced deep intuitive messages from your heart, then ***you'll immediately recognize just how pervasive the intelligence and impacts of our multiple brains can be!***

“I have been implementing some of the practices that have been recommended. What can I say - it has been transformative.”

FG, London, UK

This is a training that changes lives...

You will be taught the “how to” for yourself, and then you can include the concept in your work for others to benefit too...

The mBIT Roadmap

One of the models we've developed during our work is the mBIT Roadmap. It is an explicit framework that outlines a clear developmental path when working with your three brains to bring them into coherence and alignment and produce generative wisdom in your life.

After mBraining Training

You will find you are opening up to the inherent wisdom of your deep inner self and becoming one with your core values and core authentic self. You also open up new possibilities in how you are creating and authoring your life.

And that is truly life enhancing!

MULTIPLE BRAIN COACHING FOR SELF EVOLUTION

The powerful new techniques you will learn in this training:

- How **neuroscience research** has shown that you have three brains, and how these findings validate **ancient wisdom teachings and practises**
- How to harness the innate intelligences and generative wisdom of your multiple brains through the process of '**mBraining**'
- An entire suite of powerful and easy to learn '**multiple Brain Integration Techniques**', collectively known as **mBIT**
- The **9 Prime Functions** of your head, heart and gut brains, and how each provides you with a different ability and talent
- The **5 classes of mBIT Neural Integration Constraints** that give you deep insight into how the three brains may produce internal conflict within yourself, and what you can do about it
- How to balance the Autonomic Nervous System through the '**mBIT Balanced Breathing**' method to quickly relieve stress and gain access to the innate intelligences of your three brains
- How to work with the '**Core Competencies Framework**' to quickly diagnose unresourceful states, and discern what's needed to bring the nervous system back into balance for optimal functioning in all three brains
- The technique of '**mBIT Neural Syntax Mapping**' to explicitly reveal the functional or dysfunctional sequence in which the three brains are working together or conflicting with each other
- The '**mBIT Foundational Sequence**' to ensure you are working with the three brains in the optimum sequence for generative results
- How to work with '**mBIT Neural Integration Engagements**' to significantly amplify the effectiveness and power of your techniques whenever working with the three brains
- How to recognise and overcome **15 types of Neural Integration Blocks** that prevent integration between the three brains

"This is an important work! When so much of our response to life is based on what our 'head' brain tells us to do, it is exciting to see the research demonstrating the power and the importance of our heart and gut brains. Get all three aligned and your life changes!"

JR, Author and Educator, Sydney, Australia

"mBraining takes up where NLP leaves off. mBraining is based on a synthesis of the latest research in neurology and cognitive science... This is the birth of a new field. In short, if you want a model that synthesizes NLP, that expands upon it and that is based on hard science, then mBraining is for you. Learn it now and get in on the ground floor."

Wyatt L. Woodsmall,
Ph.D.
NLP Master Trainer and
Master Modeler
Co-Creator of the
International NLP
Trainers Association

Evidence for multiple intelligences outside the head brain is shown by common expressions such as...

- "Listen to your gut wisdom"
- "Trust the intelligence of your heart"
- "Follow your heart"
- "Use your gut intuition"
- "Trust your gut"
- "Be true to your heart"
- "My gut is telling me there's something wrong"
- "Deep in my heart I know"
- "Go with your gut response"

These expressions all indicate in their neuro-linguistics that intelligence, wisdom and intuition are occurring in the regions of the heart and gut.
